

Information regarding Bachelor exam
specialization Civil Engineering
- February 2022-

The bachelor exam will be held onsite. The entire project will be delivered electronically, by the latest on 5.02.2022, time 22:00 PM, by uploading to the address aliz.mathe@mecon.utcluj.ro. Or on - **Licenta CE 2022-** team group.

All documentation will be structured in a single folder named: LAST NAME_NAME, which will contain the following separate folders:

- FOLDER (name: 1_WRITTEN part), which will contain the entire written part, in pdf format and the declaration on the authenticity of the diploma project;
- FOLDER (name: 2_DRAWN part), which will contain the numbered and named drawings in ascending order. The drawings will be submitted in PDF format, one file for each board. The student has the obligation to check that all data on the draws are visible.

The presentation of the diploma will be held on 8.02.2022, starting at 10:00, and student scheduling will be posted on the Teams Channel after handing over the projects.

For more information on how to take the bachelor's exam, please study the documents posted at the adress: <https://constructii.utcluj.ro/finalizare-studii-licenta.html>.

Follow the posts on the Teams channel or send an email to aliz.mathe@mecon.utcluj.ro . The support sessions are public.

Date:
1.02.2022

Secretary of the commission,
Lecturer. phd.eng. Aliz Mathe
