

 **March 3** ⌚ **15:00**

Beyond the buzzwords:
Industrial Internet of Things
and **Digital Transformation**
made easy.

 **March 9** ⌚ **13:00**

Sensors IN.
Perfect beer OUT. Beverages
production **process control and**
monitoring.

 **March 17** ⌚ **14:00**

How cool can a
compressor be? Depends
on who you ask :)

 **March 10** ⌚ **15:00**

The world needs a **new**
vaccine?
Consider it solved!

 **March 23** ⌚ **13:00**

What to do when engineers
"talk" too much.

 **March 15** ⌚ **14:00**

Melted ice cream? Well,
you might have gotten the
electronics wrong.

 **March 30** ⌚ **15:00**

Brace yourselves for a
career crash course.

Agenda

Tomorrow Reimagined
