ATTENTION!

The links will be active only in the above scheduled time slots. It doesn't make sense to try to sign up outside of these time slots!

IMPORTANT! Please, pay attention, to inscribe yourself at the teacher you worked with during the semester.

Therefore, to recover the tests in DG, TDI I and TDI II you have to inscribe yourself at the teacher you worked with at the workshops and, to take part to the EXAM in DG, you have to inscribe yourself at the teacher you worked with at the course.

ATTENTION! You will be able to take the exam (once) only on the day and at the time which you are registered for in the table!

At the exams can participate the students who meet the conditions for participation (those students who obtained the minimum grade, 5(five), for the workshops).

Please DO NOT fill in the table for the exams before you obtain the grade 5(five) for the workshops.

During the exam it is mandatory to have a document for identification (student's card or ID card) placed on the drawing board! As well, the students will be equipped with functional microphones and webcams!

ALL THE ENROLLED STUDENTS WILL BE PRESENT ON TEAMS 30 MINUTES BEFORE THE BEGINNING OF THE EXAM!

IMPORTANT:

- **all the exams (for all disciplines) will take place online, on the platform Microsoft Teams;**
- the students will be enrolled in the teams related to the discipline for which they have to take the exam
- each student will see the workpaper at the date and time established in the schedule above, in „Assignments”, as well as the deadline and close time of the assignment;
- the solutions will be photographed and the pictures will be uploaded in, „Assignments” → „Add Work”;
- at the exams can participate only the students who have the grade 5(five) for the workshops.
